

Laminate Your Items at Sharp School Services!

Sharp School Services will gladly laminate your valuable products! Protect your large projects as well as smaller accessory items. We can accept products with a width up to 26".

Convenient

Our machine only requires a 15 minute warm-up. Shop for your classroom during that time or drop off your products and return at a later time to pick them up.

Affordable

At \$1.25 per foot, laminating your supplies is the most economical solution! Your preserved displays will stay looking new for years to come!
