

Five Little Pumpkins

Items used to make this Project:

- CD-1759 Picket Fence Bulletin Board Set
- CD-5510 Pumpkins Colorful Cut-Outs (Single Design)
- Loose leaf book rings
- Glue or tape

Directions: The bulletin board set comes in 5 pieces. You will need to add the extra 2 fence posts to the gate portion of the fence to make it equal in length to the other sections. Place 1 pumpkin on each section of the fence, in order, so they count down to the last one as you turn the pages. You will need to start on the first page by placing the pumpkin on the far left side of the fence. Continue by placing one pumpkin on each page and spacing each one further to the right. Add the words and laminate.

Words for each Page:

Five little pumpkins sitting on the gate. The first one said, "Oh my it's getting late."

The second one said, "There are witches in the air."

The third one said, "But we don't care."

The fourth one said, "Let's run and run and run."

The fifth one said, "It's time to have some fun."
OOOH OOOH went the wind and out went the lights and the five little pumpkins rolled out of sight.
