

# Creative Ideas with Accents

## Math Word Wall

(Use T-10906 Puzzle Pieces CLASSIC ACCENTS® Variety Pack)

Encourage long-term math retention by using the four main components of math vocabulary. Write the math vocabulary word on a puzzle piece accent. Put the following information on four other accents: word definition; pictorial clue; the word used in a sentence; and a nonexample. Watch students grasp math concepts in a flash.

## Mystery Reader

(Use T-10906 Puzzle Pieces CLASSIC ACCENTS® Variety Pack)

Delight students by inviting a mystery guest to read to the class each week. Write clues about the mystery reader on the accents, then have students take turns guessing the person's identity. Hang onto the clues for a memory game at the end of the year!

## Syllabication

(Use T-10805 Puzzle Pieces Mini Accents Variety Pack)

Strengthen spelling skills and learn word parts by dividing the syllables of a word onto individual puzzle pieces.

## Back-to-School Class Quilt

(Use T-10906 Puzzle Pieces CLASSIC ACCENTS® Variety Pack)

Create unity with a classroom quilt. Invite students to write interesting facts about themselves on their "quilt block" puzzle pieces. Mount student photos in the middle of each quilt block. Piece together to enjoy year-round.

## Vocabulary Building Blocks

(Use T-10805 Puzzle Pieces Mini Accents Variety Pack)

Jump-start students' vocabularies! Write the root of a compound word on a puzzle piece accent, and the word's prefix or suffix on another. Fit the pieces together to teach compound words.
