

Apple Pie Activity...

Idea from Carol Hartery The Learning Tree Stoneham MA www.tltree.com
 In collaboration with Susan DeMuth Shapes Etc. www.shapesetc.com

Quick & Easy Apple Pie Learning Games

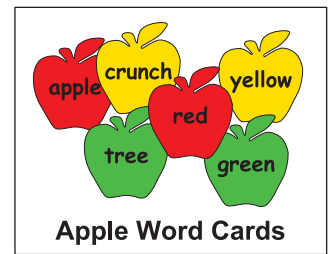

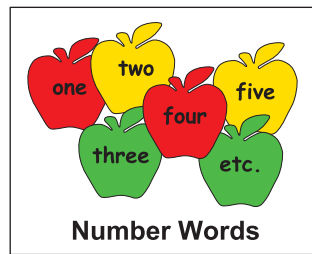

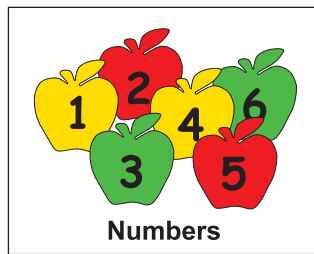

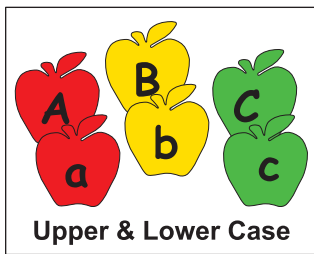

- Trace and Cut 9 1/2" circle of tan felt to cover an aluminum pie plate.
- Cut a "slice" in the top that's big enough to fit your hand.
- Glue on the felt with Tacky™ Glue and wait 20 minutes.

Optional:

When the glue is almost dry gently pull on the edge of the "crust" to make a rippled effect.

- Write letters, numbers or words on Shapes Etc. Apple Cut-Outs.
- Laminate and trim apple pieces.
- Store finished game pieces in Zip Lock™ Baggies

Simple Language Arts Ideas:

- Match upper and lower case letters
- Pull out a letter and name the letter or name a word that begins with that letter
- Pull out letters and make words
- Pull out sight words
- Pull out a vocabulary word and use it in a sentence
- Sentence starters. Pull a word and use it in a sentence
- Story starters. Pull out 5 words and use in a story
- Spelling Game- Students work in pairs. One child pulls out a spelling word and if the partner can spell it correctly he keeps the word card and pulls out another word. This continues until a word is misspelled. The correct spelling is given and the partners reverse roles.
