

Mini & Classic Accents®

Here are a few fun ways to use
TREND Classic Accents® and Mini
Accents in your classroom:

Balloon Mobile

Decorate with a whimsical mobile. Make a circle out of Terrific Trimmers®. Glue together 3 pieces from a Hot Air Balloons Classic Accents® (T-10987) to make one balloon with a length of yarn glued inside. Make two more balloons. Tape the yarn pieces inside of the circle. Write student names on balloons to celebrate birthdays or other occasions.

Practical Pouches

These cute pouches hold rewards or project supplies. Place two Classic Accents® back-to-back. Punch holes around the sides and bottom of the pair. Lace yarn through the holes and tie at the sides to secure your pouch.

Monkey Awards

Here's a simple way to create memorable awards. Use Monkey Mischief™ Barrels of Fun Classic Accents® (T-10993), and write the student's name on the barrel band. Write praise words on Gumdrop Stars Mini Accents (T-10843) and glue to the barrel.

Music Box

These boxes are great for small prizes like stickers. Line up four Music Player Pals Classic Accents® (T-10990). Tape along the sides to join the pieces. Stand up the box and tape the last corner together to finish your container.

Rock-Star Name tags

Label lockers, cubbies, or music stands. Cut 50" of yarn and fold it so there is a loop at one end. Glue pictures of a student to the screens of two Music Player Pals Classic Accents® pieces (T-10990). Glue together with the yarn in the center between the pieces. Glue two more pairs of accents around the yarn. Use them to write the student's name and phrases such as, "You ROCK!"

Mini-Books

Provide blank books for budding authors. Select a Classic Accents® Variety Pack. Cut pages out of plain paper. Sandwich pages between two Classic Accents® covers. Punch holes near the fold and bind with yarn.

Monarch-of-the-Moment Crowns

Create party crown to celebrate students. Use a strip of a Terrific Trimmers® to make a circle for each crown. Decorate Rising Star Classic Accents® (T-10038) and glue to the front of the crown. Glue Mini Accents around the crown for extra fun.

Craft-Stick Puppets

Make quick puppets that kids love. Select any Mini Accents with faces and glue craft sticks to the backs to make playful puppets. For extra fun, cut one side out of a cardboard box, leaving a 1" border around the edge for a TV puppet theater
