

Furry Friends™ Clubhouse T-8313

★ Featured Display: Reading Genres

Inspire readers with this eye-catching display! First, add a 3-D effect to your Clubhouse by adding small foam core or cardboard squares to the backs of the pieces. Select a reading genre ("Fiction" is shown here) and spell it in stick-on letters on a name plate. Attach the name plate over the Clubhouse door. Cut clouds out of foam core or cardboard and add "Reading Genres" in Ready Letters®. Edge the clouds with cotton balls. The shimmering rain is made from mylar fringe. Write book titles on Bright Books Classic Accents® and add them to the display. Change the reading genre and books each month. Encourage students to add more book titles to the display. They'll have fun being members of this unique Book Club(house)!

★ Storytime Theater

One of the nice features of the Clubhouse is that you can configure it in a variety of ways! Here's one display idea that inspires creativity while reinforcing classroom lessons. Attach Clubhouse pieces as shown to a display board, and then cut out the window to create a mini "stage." Print "Storytime Theater" on a name plate and tape it to the theater. For puppets, tape or glue small dowels to the backs of the Furry Friends™ characters and accessory pieces. Popcorn Time and Winning Tickets Classic Accents® pieces are perfect for announcing show times and titles.
