

## Furry Friends™ Seasons T-8315

### ★ Featured Display: Spring Has Sprung!

Chase away spring showers with this cheerful display. It's also a great way to discuss what to wear outdoors when spring weather arrives. Use the Spring header piece and Ready Letters® to spell "Spring Has Sprung!" Add Furry Friends™ characters and spring seasonal clothing and accessories. Complete the display with student art and fun flowers made with Classic Accents®. Tape accents to wooden dowels and add leaves of green construction paper. To keep the spring theme going in your classroom, make extra flowers and place them in a colorful vase. Students will delight in the cheerful display and all the learning activities it will spark.
