

## Frog-tastic!™ Birthday Party T-8717

### ★ Featured Display: Birthday Boxes

Celebrate students' birthdays and practice the months of the year with this high-energy display. Create a pond for the frogs by layering several strips of Blue Vibe Terrific Trimmers® at the bottom of your display. Then, cut out several cardboard squares in different sizes. Wrap the squares in gift paper and add ribbons as you would for a present. Add these to the display in a stack by the pond. Complete the display with the frog musicians and accent pieces, and choose some of them to 'leap' out from the board by mounting them on z-folded cardstock. What a festive birthday party for all!
