

Frog-tastic!™ Welcome Phrases T-8720

★ Featured Display: Welcome to Our Pad!

Get everyone into the swim of a new school year! Display a welcoming message using the set pieces. Create a pond in the center of the display by taping overlapped layers of Blue Water Terrific Trimmers® to a sheet of cardboard, and then cutting this sheet into a pond shape. Decorate your pond with Lily Pad Classic Accents®, one for each student. Complete your pond scene with frogs and fireflies from the set. Take photos of your students on the first day of school, and then add them to the lily pads. Students will love seeing themselves on the display!

Note: all extra words from the bulletin board set are featured in the photo above. For your teaching display, you'll want to store any extra set pieces in an envelope for use in future displays.
