

Changing with the Seasons

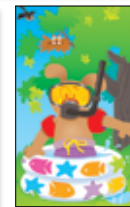

Spark discussions on weather, seasons, proper clothing, and more subjects with this interactive display.

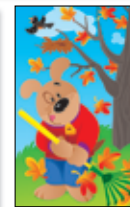

Open the door to reveal the season!

Spring

Summer

Fall

Winter

★ Featured Display

Make weather come to life and review proper clothing choices and other important subjects. Assemble the display, then add hook and loop dots to the clothing and the clothing rack. Tape accents to clothespins and clip each set of clothing to the dowels as shown. Each day, invite students to adjust the clothing and set the thermometer and the weather spinner to reflect the current weather. Students can add their own drawings of outdoor activities, animals, and environmental changes to the display.
