

# Animal Friends Yearly Calendars

Organize your classroom and teach counting, days, months, and more basic skills

## Featured Display

Create a colorful display you'll use every day. Post the calendar and add the month name, dates, and special day cards. Each day, ask a student to add today's date to the calendar and update the yesterday, today, and tomorrow cards. Use the "Today's News" header to post fun facts, such as a student's birthday, a special activity, the lunch menu, and so on. Store unused set pieces in pocket accents that are attached to the display with two-sided tape.

## You'll need

- T-8252 **Animal Friends Yearly Calendars Bulletin Board Set**
