

Word Families

Build fluency, vocabulary, and spelling skills with this interactive display that focuses on one vowel at a time.

Featured Display

Group the word family cards by vowel. Create a storage pocket for each group by attaching a square of construction paper to the display with three paper fasteners, placed on bottom and sides. Decorate with trimmer and a Stick-On Letter for the vowel. As a class, brainstorm words for each word family and write them on the cards. As you complete each group of cards, store the cards in the pockets for future practice and review.
