

Winter Play

This seasonal display inspires student creativity and sparks discussions about activities, safety, and proper clothing.

★ Featured Display

Warm up your classroom with this wonderful display. Place the header at the top of your display board and surround it with the pieces from this set. Students use blue construction paper and scissors to create their own snowflakes. Add these to the display and frame it all with trimmers and accents. To extend the activity, add student drawings of outdoor winter activities. Discuss safety and proper clothing for winter activities.
