

Monkey Wow Words Phrases

Build self-esteem with a display that showcases positive phrases and students' best work.

★ Featured Display

Students are proud to show what they've done. Create a special display where they can post their best work. Display positive phrases from this set, with "Look What We Did!" at the top of your board. Each student chooses the work to display, such as a math paper, spelling test, story, science test, or an art project. Encourage students to comment on and compliment each other's efforts. Students can change their displays whenever they have some new work to share.
