

Shake Your Star

Shake Your Star

Shake your star high;
Shake your star low.
Shake your star to and fro!

Shake your star to the ceiling;
Shake you star to the floor.
Shake your star some more, more, more!

Shake your star while you're walking;
Share you star while you hop.
Shake your star again, and then we...stop!

Items used to make this Project:

- CD-120013 Stars Mini Cut-Outs (Single Design)
- Large wooden craft sticks
- Glue

Directions: Glue the Stars Mini Cut-Outs to the end of large wooden craft sticks. Type up and print out the "Shake your Star" poem. Sing the song while the students holding star on a stick act it out.

Poem:

Shake your star high;
Shake your star low.
Shake your star to and fro!

Shake your star to the ceiling;
Shake you star to the floor.
Shake your star some more, more, more!

Shake your star while you're walking;
Shake you star while you hop.
Shake your star again, and then we...stop!
